

Professional queue management – easy space saving storage.

Fig. 1: GLA 10-E/17

Fig. 2: Easy and space saving storage

DESCRIPTION

The **RS-GUIDESYSTEMS** barrier post GLA 10 provides reasonable queue management according to your requirements – with either 2.3 or 4 m tape extension.

The robust black cast base, consisting of two elements forming a cross when assembled, allows for a convenient space saving storage while maintaining a fresh and innovative design.

RS-GUIDESYSTEMS barriers are compatible with almost all existing barrier systems!

Delivery: assembled
