

Pict. 1: GLA 25-D/13-4,0

Pict. 2: Reflective sleeves are available upon request and against surcharge

## DESCRIPTION

Versatile, flexible and multipurpose barrier, which is suitable for indoor and outdoor applications. The **RS-GUIDESYSTEMS** barrier post GLA 25 is the most cost-effective queue management system. This two-parts-solution, easy to assemble, as well as to disassemble, always grants a quick and simple, but most effective application, combined with cost and space saving storage features.

**RS-GUIDESYSTEMS** barriers are compatible with almost all existing barrier systems!

Delivery: pre-assembled
