

Pict. 1: GLA 29-A

Pict. 2: GLA 29-E

DESCRIPTION

Constructed in the same way as the **RS-GUIDESYSTEMS** barrier post GLA 28, but with a tape width of 100 mm!
The **RS-GUIDESYSTEMS** post **GLA 29** complements the current product range significantly by underlining the cordoning character strikingly.

Due to the various colour combinations of post and tape colours it is a universal and very pleasant barrier post solution for all kind of situations that require a reliable and stylish barrier system.

RS-GUIDESYSTEMS barriers are compatible with almost all existing barrier systems!

Delivery: assembled
