

## The RS barrier with roll.

Pict. 1: GLAR 45-S

## DESCRIPTION

By means of the integrated roller device this **RS-GUIDESYSTEMS** barrier post offers even more flexibility and mobility. Align your cordoning even more quickly and variably to the current situation and save your strength at the same time: Simply tip the post with the weight on the roller and scroll it to the new position. That's all!  
The black roller fits perfectly and unobtrusive in the total design of this **RS-GUIDESYSTEMS** post.

Delivery: assembled
